Epidemiološke mjere

Draga publiko,

programi 72. Dubrovačkih ljetnih igara odvijaju se u skladu s *Preporukama za sprječavanje zaraze COVID-19 tijekom održavanja profesionalnih umjetničkih izvedbi, kulturnih programa i manifestacija* koje je HZZJ objavio 27. svibnja 2021., a koje se odnose na programe niskog rizika.

Mjere koje provodimo na 72. Dubrovačkim ljetnim igrama:

- 1) Obvezno nošenje zaštitnih maski u prostorima izvedbi programa
- 2) Obvezna dezinfekcija ruku pri ulasku
- 3) Održavanje fizičke distance od jednog sjedećeg mjesta
- 4) Redovita dezinfekcija prostora
- 5) Prikupljanje podataka pri kupnji ulaznica (ime i prezime, kontakt broj), radi vođenja evidencijskih lista za potrebe epidemioloških službi
- 6) Preporuka mjerenja temperature kod kuće prije dolaska na izvedbu
- 7) Preporuka pravovremenog dolaska od 20-ak minuta prije početka izvedbe

Public health measures

Dear Audience Members:

All events at the 72nd Dubrovnik Summer Festival are held in compliance with the *Recommendations for preventing the spread of the COVID-19 disease during professional artistic performances and cultural events*, issued by the Croatian Institute of Public Health on 27 May 2021, regarding low-risk events.

The following measures are implemented at the 72nd Dubrovnik Summer Festival:

- 1) Compulsory face masks at the performance venues.
- 2) Compulsory hand disinfection when entering the venues.
- 3) Maintaining physical distance of one seat.
- 4) Regular disinfection of the venues.
- 5) Providing personal data when buying tickets (first and last name, contact number) for the purposes of keeping records required by the public health authorities.
- 6) We recommend measuring body temperature at home before coming to a performance.
- 7) We recommend arriving around 20 minutes before the beginning of a performance.

Yours Festival
