Na pragu ljetne turističke sezone sve je veći broj ponuda koje privlače ljubitelje putovanja, gastronomije i zabave, a među njima se svakako ističe Priceless Croatia, cjelogodišnji program u sklopu Mastercardove platforme Priceless® Cities. Ona okuplja više od 40 svjetskih destinacija te nudi niz jedinstvenih i ekskluzivnih iskustava domaćim i stranim turistima. U samo nekoliko koraka, korisnici Mastercard® kartica mogu se registrirati na platformi Priceless Croatia (www.priceless.com) i kupiti ekskluzivne pakete. Tako, primjerice, mogu uživati u letu balonom i večeri iznad oblaka koju će im pripremiti poznati chef, letu helikopterom iznad Dubrovnika, istraživanju skrivenih tajni Jadrana podvodnim skuterom, pivskoj kupki u luksuznom hotelu, vođenoj turi traženja tartufa u Motovunskoj šumi, planinarenju Velebitom, degustaciji najboljih istarskih maslinovih ulja i još mnogočemu.

Na putu prema jugu, moguće je otkriti dubrovačke znamenitosti i okuse lokalne kuhinje, ali i otići na vodenu turu te posjetiti lokacije na kojima je snimljena popularna serija 'Igra prijestolja'. Tijekom ljeta bit će moguće otkriti tajne Dubrovnika na Dubrovačkim ljetnim igrama, plesati cijelu noć na festivalu Ultra Europe ili, pak, uživati u koncertu Jacoba Colliera u prekrasnom ambijentu Tvrdave sv. Mihovila. Nakon odabira iskustva ili ponude koju želite kupiti, potrebno je još unijeti svoje osobne podatke te na kraju potvrditi kupnju. Nakon primitka vaučera i potvrde o plaćanju putem emaila, sve je spremno za užitek u nezaboravnom iskustvu koje će zauvijek ostati u vašem sjećanju.

As summer is coming up, there are more and more exclusive offers that attract travel, gastro and party lovers, among which Priceless Croatia, an all-year program within Mastercard Priceless® Cities campaign, differs from others. Gathering more than 40 destinations around the world, Priceless Cities offers a range of unique and exclusive experiences to both residents and visitors. In just a few steps, Mastercard® cardholders can register on the Priceless Croatia website (www.priceless.com) and buy exclusive packages. For instance, they are able to take a flight in a private hot air balloon and enjoy a chef-prepared picnic in the clouds, take a helicopter tour over Dubrovnik, explore Adriatic secret spots with underwater scooters, enjoy beer spa in a luxury hotel, take a guided truffle-hunting tour in the Motovun forest, go hiking on the Velebit Mountain, taste the best Istrian olive oils and many more.

Heading to the South, it is possible to discover the sights and flavours of Dubrovnik's Old Town, as well as to take a guided tour and visit city locations where popular Game of Thrones series had been filmed. During the summer, it will be possible to unravel Dubrovnik secrets during Dubrovnik Summer Festival, dance the night away at Ultra Europe Festival or enjoy Jacob Collier's concert in the beautiful ambience of St. Michael's Fortress. By clicking 'Book now' for the experiences and offers you like, you need to finish a simple process of adding your personal data and, in the end, confirm the purchase.
